Please find below and/or attached an Office communication concerning this application or proceeding.

Requirement for Information under 34 CFR 1.105

Applicant and the assignee of this application are required under 37 CFR 1.105 to provide the following information that the examiner has determined is reasonably necessary to the examination of this application.

The information is required to identify products or services embodying the disclosed subject matter of providing Real Estate information using a computer network, such as the Internet. Applicant has identified on Figure 2 "Listingbook Services" as incorporating the embodiments of the claimed invention, such as Internet site: www.listingbook.com. The website does not allow access without the user previously being set up with a user code and password typically through a real estate agent. It is respectfully requested that access be granted to the examiner of record for a period of time necessary to review and identify the products or services embodying the applicant's claimed invention. Specifically, the examiner is researching the technological features of the applicant's invention in relation to the available prior art. If access cannot be authorized, please provide a copy of all the pages of the website. Additionally, in response to this requirement, please provide the date the website of the claimed invention was created.

In response to this requirement, please state the specific improvements of the subject matter in claims 1-22 over the prior art and indicate the specific elements in the claimed subject matter that provide those improvements. Additionally, please state the specific improvements of the subject matter in claims 23-46 over the prior art and indicate the specific elements in the claimed subject matter that provide those improvements. For those claims expressed as means or

steps plus function, please provide the specific page and line numbers within the disclosure that describe the claimed structure and acts.

The fee and certification requirements of 37 CFR 1.97 are waived for those documents submitted in reply to this requirement. This waiver extends only to those documents within the scope of this requirement under 37 CFR 1.105 that are included in the applicant's first complete communication responding to this requirement. Any supplemental replies subsequent to the first communication responding to this requirement and any information disclosures beyond the scope of this requirement under 37 CFR 1.105 are subject to the fee and certification requirements of 37 CFR 1.97.

Conclusion

The applicant is reminded that the reply to this requirement must be made with candor and good faith under 37 CFR 1.56. Where the applicant does not have or cannot readily obtain an item of required information, a statement that the item is unknown or cannot be readily obtained will be accepted as a complete reply to the requirement for that item.

This requirement is subject to the provisions of 37 CFR 1.134, 1.135 and 1.136 and has a shortened statutory period of 2 months. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
